Yanmar 1401DT Compact tractor

£4,995.00

Yanmar 1401DT

14hp 4x4 Compact tractor. Yanmar are probably the most reliable engines on the market, used in a range of agricultural, marine, plant & construction applications. This tractor is a very popular model for its handy size & ease to drive.

Fully serviced; new oils, filters & tyres. Ready for work. Would complete a great tractor & machinery package.
